| ▲ When test mode is                   | s on, all imoje transactions are si | imulated.        |
|                                       |                                     |                  |

When you have completed the configuration - **check** all the above options and select Activate imoje.

### **ING LEASE NOW**

For technological reasons on the Shopify platform side, we do not have the ability to make ING Lease Now payments available.

| imoje ING  | All shops 👻 📞 Contact 🛛 🗖 Notices 🛛 🏚 Settings 👘 . 💶 |

The last part of the integration is to add the notification address to the imoje Administration Panel. • To do this, select the appropriate store from the **Shops** tab, click on **Details** and select the **Data for Integration** tab.

Place the following website address in the highlighted area: <u>https://sfapp.imoje.pl/imoje/notification</u>.

### To perform the update and eliminate any errors, you need to:

- Log in to the store's administration panel on the Shopify platform,
- Select "Settings", which is located in the lower left corner of the page,
- Then select the "Purchase Fulfillment" tab,
- In the "Customer contact method" section, select the "**email**" option,
- The last item is to save the applied changes, by clicking , "Save" in the upper right corner of the page.

## That's it! You can already use imoje payments in Shopify.
